- the child's special dietary requirements, preferences or food allergies the child may have;
- the child's special health requirements;
- information about who has legal contact with the child; and who has parental responsibility for the child.

Written parental permission is requested, at the time of the child's admission to the provision, to the seeking of any necessary emergency medical advice or treatment in the future.

### **PARENTS & CARERS MUST TELL US OF ANY CHANGES TO THESE DETAILS.**

We take confidentiality very seriously. Any information which we hold is treated as confidential and shared on a 'need-to-know' basis.

## Links with External Agencies

Because our first concern must be the well-being of your child, there may be occasions when we have to consult other agencies before we contact you. The procedures we have to follow have been laid down in accordance with the local authority child protection procedures.

We are fortunate to be supported by a range of external agencies which can be called upon to support the work we do in school. These include School Nurse, Health Practitioners, Educational Psychology, Child & Adolescent Mental Health Services, Behaviour Support, Social Services and Specialists in supporting Special Educational Needs.

## Reporting Concerns or Complaints

Further to the above procedures, we have in place a concerns and complaints policy. This enables children, staff and carers to report anything they feel is of concern.

Concerns should be raised in the following order.

1. To the Class Teacher. Then, if there is no resolution;
2. To the Head Teacher. Then, if there is no resolution;
3. To the Chairman of Governors. Then, if there is no resolution;
