### A note from the teachers

Happy new year! After our Christmas break, we hope everyone is well-rested and raring to go. This is the last full term before the KS2 SATs so it is important that children keep a high level of attendance so they do not miss out on anything! As always, please contact one of us if you have any questions.

### Important reminders

Remember to have your Accelerated Reading book, personal organiser and book bag in school every day and write a comment in your reading log at least 3 times per week.

As we approach SATs, additional homework will be given to supplement learning or help children address weaknesses so please ensure this also completed when set. It would also be great for children to continue using Reading Plus (changing its name to DreamBox Reading) and TT Rockstars at home. We also will be encouraging the children to access Century. Logins for these websites should be in the children's organisers but just get in touch if you need a reminder.
